'Jam Session'

Are you sensing the need to serve at Cascades? Do you plan an instrument? We'd love to see if you might be able to do both with the Musical Worship Team here at CBC! We're having a 'Jam Session', a time for you to play alongside of some of us and explore if serving on one of the worship teams might be a good fit for you. There will be food, music, and a time for you to learn more about what we do and why we do it. If you would like to come, please talk with Kent, Joel or Rita. If you see God leading you in this area, don't be afraid to step out and learn more!

Hallelujah Handy Man

We are starting a ministry of help for those in need of home repairs. If you need a handy man, we want to serve you. If you are a handy man, we want you to serve! Ray Prieur will be coordinating this ministry. If you have tools and talent, let Ray know so that he can add you to his list of servants. On Saturdays (or in the week if there's an emergency), Ray will set up crews or individuals to tackle needs. If you are a single person, one of our senior citizens, or just a klutz when using a wrench, let us know! When you've got a need, let the office know by email or phone, and Ray will set up the repair for you. It means free labor, and the Deacon's Fund is willing and able to help with the cost of parts for those in our church family. Be a blessing to one of our handy men by allowing them to serve the Lord by serving you!
