

May 2006

Dear Friends at Cascades Baptist Church,

We thank you for the April \$150.00. Because of this AI was able to video the Released Time Bible Classes that can be used as a resource to train new missionaries. We have seen 897 boys and girls accept Christ this school year. This is possible because of you and others who continue to give and pray.

Donna continues to volunteer for special projects at the office.

May God's richest blessings continue to be part of your lives.

In Christian love,

AI and Donna Hashley
