"HE TENDS HIS FLOCK LIKE A SHEPHERD".....ISAIAH 40:11

We have been learning about our Shepherd on Sunday evenings with our new pastor, Gerald Webber. We like him very much. He has brought us so many new thoughts from Psalm 23, the well known Shepherd Psalm. I guess I thought I knew everything there was about it as I've heard it so many times. He told so many interesting things about how the shepherd cares and provides for the sheep and made the applications to our lives. I wish I could share it all with you but that is impossible. His concluding thought was:

"I will never have a NEED that is unmet, because
GOD HIMSELF IS MY SHEPHERD. "

I need to hang on to that thought as I realize my support account has been showing a deficit for the last few months. God knows my needs.

We are thankful to be coming to the end of a very hot summer. I guess you have experienced some of that too, but I think perhaps our's started earlier and lasted longer. Praise the Lord, we've not had, (nor do we expect to have), any major storms this year. God is so good to us.

The Summer has gone quickly and school has started. So that means another year of AWANA is starting. We will have our "Kick-Off" Cook-out this week for the clubbers and their parents. I am excited because the parents of the three children I pick up have promised to come. I also take the children to Sunday School and Junior Church. We would like so much to get the parents to come to our Adult Spanish Sunday School class. Both Helen and I plan to work in AWANA "SPARKS" this year (K-2nd grade) Helen had to drop out last year but she plans to start again. Pray for her that it won't be too much for her.

Please pray for Don Gustavo, the teacher of our Adult Spanish Class. He is doing well but would like to see more families come to our class. Don Sergio was recently saved and Don Gustavo is discipling him in preparation for Baptism and church membership. His wife, Isobel, is a Christian and they have three precious children.

I want to thank you for your faithful prayers and gifts for my support. It means so much and I pray God will bless you and meet your needs.

Here is a final thought from our Shepherd: (from Psalm 23:1)

God Himself is my Shepherd.

I could not want for anything I need

I should not want anything else.

Sincerely in Him,

Edna Hull
