"Hey! Jesus loves me!"

"Do you believe, do you believe in Jesus?"

"I want to know Christ, and walk in His ways."

These are songs that could be heard from our front yard as children from our neighborhood came to a 5-Day club that Sarah and Rebekah and their friends organized. The girls invited kids, lead music, taught Bible stories and memory verses, all with very little help from Russell and me. We are amazed and encouraged with how God is using our girls and their friends! They ran two 5-day clubs this week, one in the morning at our house and one in the afternoon across town. Praise the Lord that four children placed their faith in Christ this week!

We are thankful for the training that Child Evangelism Fellowship has given our girls!
