

October 2006

Greetings from the West Coast Office,

Fall is great time of year in Northern California, a welcome the reprieve from 100+ degree summer heat. This time of year we think of harvest as many crops are grown in our area.

Jesus said, "The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest." Luke 10:2

Fall is the also the season to gather workers for His spiritual harvest. Workers are found at colleges like William Jessup University, Simpson, Shasta Bible College, and Masters. Our PIONEERS Mobilization team will meet at Urbana 06 to recruit and mobilize workers to the nations. Urbana is a huge missions convention with over 20,000 students attending. This year it is held in St. Louis, Missouri (December 27 - 31, 2006). If you would like to attend, just contact: www.urbana.org

Dr. Solomon comes to Orland...

You are invited to hear Dr. Solomon Aryeetey at the Orland Evangelical Free Church on October 29th. Dr. Solomon was born in Africa in an animistic tribal culture. In his testimony he says, "My father was a polygamist with five wives. My mother was actually the fourth wife. If my dad had not been a polygamist, I would not have been born." Dr. Solomon pulled himself out of poverty through study, becoming a medical doctor. He placed faith in Christ, was disciplined under a missionary, and he became a church planter.

Dr. Solomon is the husband of one wife, Letitia, and the founder and Director of PIONEERS Africa.

Dr. Solomon will preach two services 8:30 a.m. & 11:15 a.m. He will speak during Sunday School 10:00 a.m. and the evening service at 6:00 p.m. Please join us any of these times on Sunday, October 29th at:
Orland Evangelical Free Church, 54 Swift Street, Orland, CA 95963.

Thank you for your partnership in the gospel!

Until all have heard,
